Profile

I am an ambitious student with a unique set of skills derived from computer science, graphic design, business and psychology studies.

By utilizing these skills as catalysts to one another, I am able provide creative yet pellucid solutions to difficult problems that suits a forward-thinking organization.

Experience

American Friends of Jamaica Jun - Aug 2019 Social Media Intern / Graphic Designer

Drafted and organized social media posts and promotions for various platforms through HootSuite.

Collaborated with World Record holder Usain Bolt for the 2019 Hummingbird Gala.
